Mechanical) students admitted in the academic year 2025-26 (For BITS-UB 2+2 International Collaborative Programmes students at BITS Pilani only). For these students, the Semester Tuition, Summer Term and Hostel fees will be revised upward every year. The details of semester tuition fee and summer term fee is given below (unless the government announces any new levy/tax, which will be passed on to all existing students irrespective of their year of entry).
2. Summer Term Tuition Fee will be 35% of Semester Tuition Fee in corresponding Academic Year. All three Indian campuses of BITS Pilani will have the same summer term fee in an academic year. It is to be noted that every summer term is not part of the academic calendar except where specifically stated. Though the prescribed summer term fee is mentioned above, depending on the requirement of registration of a student in a given summer term, he/she will be required to pay summer term fee for that particular academic year only.
3. All fees are to be paid in advance. Only caution deposit and mess advance are refundable after adjustment of dues at the time of graduation or withdrawal from the Institute. This applies to prospective candidates who are seeking admission as well as ongoing students of the Institute.
4. Students will pay the BITS scheduled tuition and fees for the first two years. Once they are admitted into UB, students will pay the UB scheduled tuition and fees for nonresident (international) students.
