

## **First Degree programmes (B.E., MSc, B. Pharm.) Admissions: Iteration 7 and additional iterations, if any**

Since JEE (Advance) results are delayed, the next iteration to admissions in First Degree Programmes at BITS Pilani for AY 2021-22 will be done sometime in the first week of November 2021. The exact date of the next iteration (i.e., iteration-7) will be announced on or before October 31, 2021, at the BITS admission website:

<https://www.bitsadmission.com/>

All candidates should note that Institute reserves the right to carry out any further iteration(s) if required beyond the first week of November 2021, depending on the availability of seats not filled due to the withdrawal of the candidates from BITS admissions. In such a case, those seats may be filled in by additional iteration(s), possibly in the second/third week of November 2021.
